

78th Independence Day Celebration

Every year, Brilliant Stars School's students, teachers, parents, and staff actively participate in our nation's Independence Day celebration on the 15th of August. With great patriotic enthusiasm, zeal, and zest, we pay tribute to the country and the freedom fighters of India. It's a remarkable display of our collective respect for those who fought for India's freedom.

The celebration of the 78th Independence Day this year started with remembering the blessings of the Almighty chanted by the students of class 8, followed by our Principal, Mr. Vinod Kumar, hoisting the National Flag. Everyone offered their respect to the National Flag and sang the National Anthem with great enthusiasm, followed by the slogan raised by class 7 students.

The cultural program was a vibrant display of patriotism, with students from different Grades of BSS showcasing their talents in various forms such as dances, songs, instrumental fusion, dance-drama, and recitation. These diverse expressions were a heartfelt tribute to our freedom fighters and the ordinary citizens who sacrificed their lives for our independence.

The programme ended with a vote of thanks and sweets distribution.
